A Message From Dean Joyce E. McConnell

Blue and Gold Never Gets Old!

Please come back to the College of Law for a blue and gold weekend of Homecoming events for all faculty, students, staff, alumni, and friends. Homecoming is an opportunity to reconnect, show your family and friends where you became a lawyer, celebrate the WVU College of Law spirit and cheer on the Mountaineers. I can't wait to welcome you back for the Annual Homecoming College of Law Reception and Tailgate!

Introducing the New Assistant Dean of Development

Dear Alumni and Friends,

As many of you know, the WVU College of Law is a very special and exciting place! (I should know, since I hurried my way to the hill last month all the way from Colorado!) Your law school has an incredible reputation as a major state institution, with the quality and dedication of a small private college. I am truly amazed by the success of WVU Law graduates and look forward to meeting many of you in the near future. Please do not hesitate to connect with me and let us know how the WVU College of Law can continue to be your law school.

In the near future, watch for some upcoming WVU College of Law Alumni and Friends events traveling to your city!

My Best,
