Notes:

- (1) Seminars, clinics, and other classes with no final exams are not listed on this schedule.
- (2) Where multiple rooms are assigned for an exam, the instructor will decide whether the exam will be given in both rooms or only in one.
- (3) Students who have three final exams in three days may have the third exam moved to the next free day. Students in this situation should contact Theresa Lubich about rescheduling their exams.
- (4) Take-home exams that are due on the scheduled date above are marked with an asterisk. Students should confirm with their instructor the exact time when the exam must be submitted to eCampus.
- (5) Take-home exams that are "self-scheduled" are not listed on this exam schedule. An exam is "self-scheduled" if the student may choose when to turn in the exam OR the exam has a fixed due date, but the student has a week or more to complete the exam. Self-scheduled take-home exams do NOT count for purposes of the "three exams in three days" rule. A list of classes with self-scheduled take-home exams is included below:

***Self-Scheduled Take-Home Exams. Students should confirm actual release and turn in dates and times with the instructor.**
